

## PREVENTING TRAFFICKING IN GIRLS:

In Contra Costa County there are increasing numbers of minors being trafficked. Many of these report being involved in foster care and the juvenile justice system, as well as experiencing homelessness. Community Violence Solutions is committed to engaging with at-risk youth involved in these systems and providing them with comprehensive services and education that will help them navigate their lives and thrive.

### Who is Eligible?

1. Any youth up to age 18
2. Scores "Clear Concern" or "Possible Concern" on CSE-IT screening tool

### Comprehensive Services

At risk youth and their families will have access to case management and therapy services as a part of their involvement with Community Violence Solutions

### Youth Education

Youth will participate in workshops following 2 curricula:

1. Love 146: Not a Number Training
2. In Touch with Teens

### Youth Involvement

Youth feedback will be collected in focus groups and surveys  
Youth will also participate in BLOOM mentorship program
